

86% of SASD high school students
have not used nicotine or tobacco
in the past 12 months

89% of SASD high school students
have not used THC in the past 12
months

76% of SASD high school students
have not drank alcohol in the past
12 months

**THE TRUTH IS:
MOST YOUTH DO NOT USE DRUGS OR ALCOHOL**

**Talk with your kids today how they are not alone
in making the right choice being substance free**
